DETAILED ACTION***Reissue Applications***

1. The consent/3.73(b) is defective. The party signing the consent and/or 3.73(b) doesn't have apparent authority to sign on behalf of assignee. Their title of "Chief Patent Counsel" is not recognized under MPEP 324 as someone having the apparent authority. In addition, the statement "Signature of person signing for assignee" is not the same as the statement "The undersigned (whose title is supplied below) is authorized to act on behalf of the assignee." See PTO/SB/96. I know that the consent form PTO/SB/53 has the language that applicant used for consent, but this is assuming that a proper 3.73(b) is filed. The petition filed 3/3/04 contains the statement, but we have a different person signing the petition from the person signing the consent and 3.73(b). Given the defect, both a consent and 3.73(b) will be required.
2. The original Declaration was unsigned. A petition was filed under 1.47 and granted for inventor refusing to sign. However, this does not excuse applicant from filing a supplemental declaration, stating that all errors up until the filing of the supplemental declaration, was without deceptive intent. A supplemental declaration is required.

Claim Objections

3. Claims 1, 16, and 92 are objected to because of the following informalities:

Claim 1, line 8, it is suggested to delete "[,]" because this error was corrected in the certificate of correction. "identification device" is a part of the original Patent.

Claim 16, line 29, it is suggested to replace "the unique identification number" with --an unique identification number--.

Art Unit: 2616

Claim 92, line 2, it is suggested to delete "attaching".

Specification

4. The new abstract filed on 9/13/06 is not in compliance with 37 CFR 1.173. The deleted abstract needs to be depicted within brackets.

5. Amendment to the specification filed on 9/13/06 is not in compliance with 37 CFR 1.173. Cancelled matter needs to be bracketed.

Allowable Subject Matter

6. Claims 7-15, 24-37, 82-91, and 107-120 are allowed.

7. Claims 1-6, 16-23, and 92-106 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

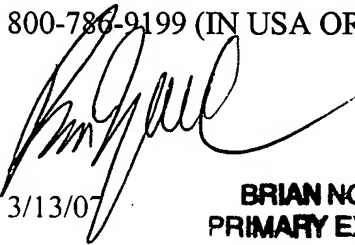

Conclusion
